

My Uncle: Toby Hecht

By Sawyer Wall

Who

My relative I will base this project on will be my uncle, Toby Hecht. He has three sons all whose names sound the same.

What

My uncle joined the U.S army. However he never went into combat.

When

My uncle lives today in Normandy. I do not know the date when he was most active in his career.

Where

My uncle live in medium sized white house in Normandy.

How

My uncle is still in the Military. However he will only go back to military grounds if they need him. He has partly inspired me to join the army when I get older.

Remember to honor our veterans for their years of service and sacrifice.
